Edgar County and 4-H Fair organizers reflect on a successful year

BY ROBBY TUCKER
rtucker@prairiepress.net

According to Mary Liz Wright, Edgar County Fair Board vice president, 2024 was one of the best years for the fair in recent memory.

"The weather was perfect, the crowds were large and the shows and competitions were enjoyable for all," Wright said.

Since 1984, Wright has served on the Edgar County Fair Board and was a part of the group that expanded entertainment offerings during this year's iteration of the beloved, week-long festival. Between autocross races, concerts both on and off the track, harness racing and the ever-popular Route 1 Rumble Demolition Derby, the fair boasted plenty for attendees to enjoy.

For some talented artists, bakers, gardeners, farmers and more, witnessing the

spectacles on the track takes second place to crafting awe-inspiring works to display in the Art Hall. This year, Wright noticed an uptick in community participation from artists of all kinds.

"We asked for more entries and the public responded. The (Art Hall) was filled to the rafters with flowers and vegetables, cakes and breads, and the skilled crafts and antiques were nothing short of amazing," Wright said. "Thank you, Edgar County, for bringing your items to the fair – you made the Art Hall beautifully impressive."

At every level, the hard work of Edgar County residents is what keeps the fair operating smoothly each and every year. Wright noted contributions of time, money and effort from local sports teams, churches and non-profit organizations led to the success of this year's fair.

"The outpouring of support by our community is amazing," she said. "Our county is the best – they support us financially via numerous sponsors, box seat buyers and trophy or banner donations. Other county fair boards are amazed when we tell them our fire, ambulance, police and sheriff officers support us every night in every way necessary... We are blessed, we are lucky and we are so very thankful."

Just up the slope at the Edgar County 4-H Fairgrounds, Edgar County 4-H Program Coordinator Brittany Smith felt a similar sense of gratitude for participants and sponsors.

"We are very thankful for our supporters who show up for our youth yearly," said Smith, later adding, "I have to give a lot of thanks to my awesome group of volunteers who help keep us moving forward."

Edgar County's 4-H programs cover a wide swathe of interests, from agriculture to woodworking, photography to sewing

and from baking to rocket science. According to Smith, who stepped into her position last year, participants in each exhibition class showcased a year's worth of hard work at this year's 4-H Fair.

In total, 139 local 4-H'ers showcased 775 projects. Twenty-nine 4-H members from Edgar County will present their work at the Illinois State Fair this weekend.

"I just started as the 4-H Program Coordinator last August officially – although I was there at the fair last year. I didn't have anything to do with the planning and execution of the fair in 2023," Smith explained. "So it was great to plan every detail of the fair this year, and the 2024 Fair was the icing on the cake of all the great things we accomplished in the 2023-2024 4-H year."

Smith, Wright and the host of volunteers and participants who contribute to the annual attractions at the Edgar County Fairgrounds look forward to doing it all again next year.

Congratulations Cliff & Jennifer!
