Location: N687 Cty. Rd. N, Neshkoro, WI 54960

Lunch Time: The food stands will be prepared by Rosella and her daughters and friends

Farm Equipment Sell out: Dana & Rosella Eby have made the choice to downsize their farming operation and sell off a line of farm equipment. Therefore, they are presenting a clean line of good used farm machinery. Also included in the line are consigned pieces from various friends and neighbors, so there will be something for everyone to take along home with you. Please come and bring your family along to enjoy the day with us. There will not be many small items to start the day off, so come early and have coffee and "fresh fried donuts" here.
